

Electricity + PV/batteries

Connection and discussion

Moderators:

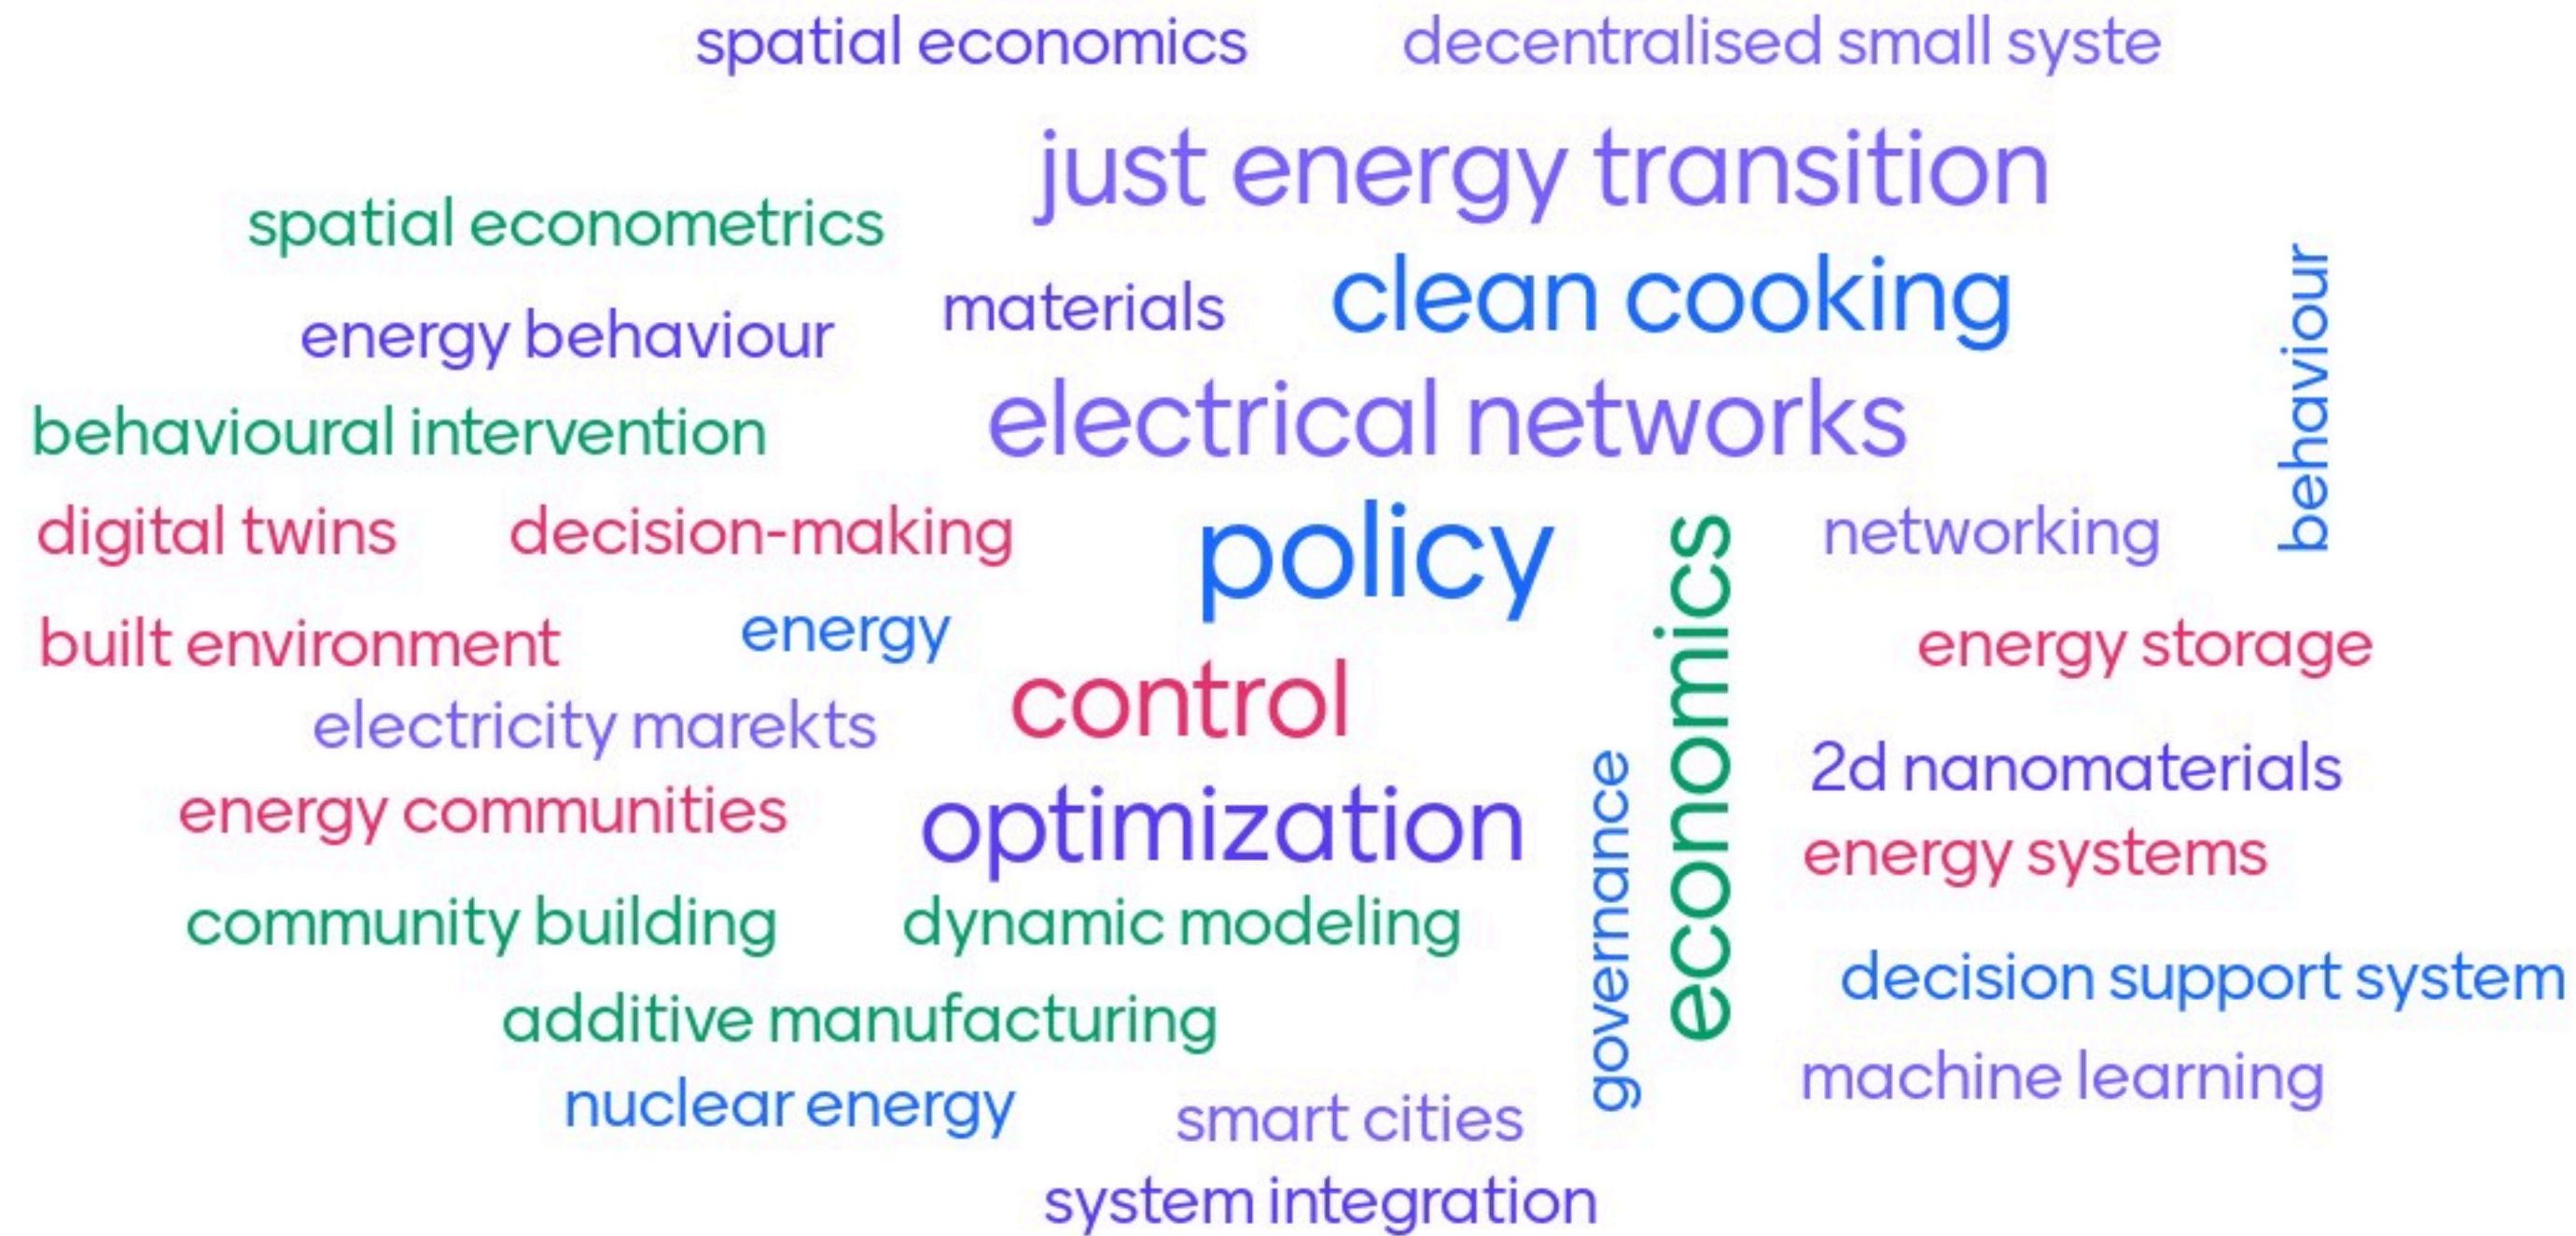

Eli Shirazi

Pedro Vergara Barrios

What is your expertise?

41 responses

Where do you need partnership?

Municipalities

Grid operators

Government

Clean cooking

Industrial case studies

Control

Joint proposals

Policy makers

5

12

Where do you need partnership?

Policymakers

Funding
Advancement of research ideas
Expanding global networks
Industrialization of research outputs

Grid operators
Municipalities
Joint proposals

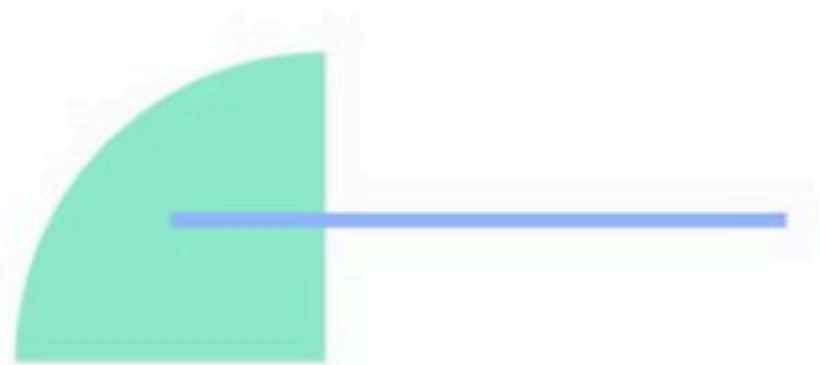

Grid operators

Success and failure of minigrids, SHS, etc

Grid operators

Grid operators

Grid operators

Where do you need partnership?

NGOs

Global South partners

Global South partners

Policymakers
