How did this series of workshops & workbooks help you to better facilitate the collaboration processes in your tutor teams?

How would you assess the timing of each of workshop & workbook (before the first meeting, just after the PDF, two weeks before the Closing Event)?

Please help me to improve this intervention. What should I stop, start, and/or continue doing?

Considering your experience in this entire intervention, how likely would you be to recommend future 4WBB0 tutors to sign up for it? (Place circle to indicate your answer)
