

# 4TU-Energy Scoring matrix V. 2.0

## Context scoring matrix

This scoring matrix for 4TU Energy is to guide members of the screening committee, who assess the proposals for 4TU.Energy calls for funding. On the basis of this matrix, each committee members gives at every subject a score of 1(lowest) to 10 (highest), linked to the extent to which a proposal lives up to the requirements per criteria. In addition, the committee member can give a written explanation of each criteria.

The subjects listed below serve as a guide for the committee and has no intention of giving a complete overview of possibilities.

The committee evaluates the proposal with the help of the scoring matrix below.

Name applicant:
